Soundboard Width • 12 1/2" (32 cm)

Extreme Width • 26 3/4" (68 cm)

Weight • 22 lbs (10 kg)

Finish 

Lyon & Healy Harps introduces the Drake, a light-tension 34-string lever harp, built with a Hard Maple body and Okoume soundboard. Its bright and clear, yet resonant sound offers an inspiring playing experience for the beginner of any age. The Drake is strung with the new-to-market **BioCarbon® Strings**, made using a blend of a recently discovered bio-plastic derived from sugar-cane; the sound of these strings delivers a powerful and bright tone that provides superior acoustic projection and sustain. Available in natural, mahogany and **two-tone** burgundy and natural; fitted with Pro-Levers.

The Drake comes with a cover, tuning key, 8" legs and a 3-year limited warranty.
